...ICE it!

iCatcard Check-In and Event for your attendance and event tracking

Dear Catcard Clients,

Thank you for using "ICE" iCatcard Check-in and Event. We are grateful proud you see value in utilizing "ICE" for your attendance and event tracking needs.

Catcard is pleased to introduce our newest version of "ICE", version 1.3. Version 1.3 includes new features, client requests and requirements, security and bug fixes, and an updated look and feel, in addition to performance enhancements. These new features are available for you to use TODAY.

What's new in ICE version 1.3?

- Ability to edit future events.
- Ability to add notes fields to the patron view during tracking mode.
- Configurable predefined pull-down notes and comments category assigned to an attendee.
- Added attendee number (#) and count to the patron view during tracking mode.
- Updated the look and feel of "ICE" user interface, eliminating whitespaces, and improved aesthetics.
- Applied bug and security solutions to increase performance and faster response.
- "ICE" is now accessible off-campus without the use of VPN.

Please take a moment to discover the new version.

We are committed to your satisfaction and welcome your feedback. We'll do all we can to make your "ICE" experience positive for you.

What's new in the latest "ICE" version 1.3?
